Councilman
THOMAS DONOVAN

The Town of Lyme has received a grant for \$125,000 which is to be used to make improvements to a Town Park. The money is to be used for shoreline stabilization and a structure. The shoreline stabilization can include fencing, and the structure will be gazebo/pavilion type structure. The Town currently has two parks, Bicentennial Park (located near the Village beach) and the recently opened Veterans Memorial Park (located near the center of the Village of Chaumont). The Town board is seeking input from the residents on which park they would prefer to see this grant money utilized towards.

Your participation in this survey is greatly appreciated

All replies must be returned to the Town of Lyme by May 30, 2025

Which Town Park would like to see the grant money used at?

☐

Bicentennial Park

☐

Veterans Memorial Park

Surveys can be picked up at the Town Office

Please drop off at the office or in front drop box.

From the Town of Lyme Board

The Town of Lyme has received monies from the State of New York to make improvements to our recreational parks. The two parks in consideration are the Bicentennial Park and Veterans Memorial Park.

Bicentennial Park is located just off NYS Rte 12E and Wilson Lane, this park is located right next to the Village of Chaumont Beach. This park borders the Chaumont River and Chaumont Bay and offers a large area for picnics, family gatherings and live music events.

Veterans Memorial Park is the Town's newest park and is located on NYS Rte 12E across from the Town Buildings. This park overlooks Sawmill Bay and offers public docks, public restrooms, and a walking path. This park is within walking distance to local restaurants and shopping.

The Board is seeking input from residents on which park they would prefer the grant money to be utilized. Please see the next page for a brief survey, which also indicates what types of improvements that could be made.

Thank you for your input and participation in the survey
